PATENT ASSIGNMENT

THIS AGREEMENT is entered into this 29th day of March, 2002, by and between Kinderlife Instruments, Inc., a California corporation having a place of business at Mountain View, California, and Pemstar Pacific Consultants, Inc., a California corporation having a place of business at Mountain View, California.

RECITALS

WHEREAS, Kinderlife Instruments, Inc., hereinafter referred to as ASSIGNOR, owns all rights, title and interest in and to the patent applications and registrations set forth on Schedule A hereto (collectively, "said Applications"); and

WHEREAS, Pemstar Pacific Consultants, Inc., hereinafter referred to as ASSIGNEE, is desirous of acquiring all rights, in and to said Applications and inventions, in and to any and all improvements relating to said inventions, and in and to all Letters Patents thereon when granted in the United States and all foreign countries;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, each party warrants, contracts, covenants and agrees as follows:

1. ASSIGNOR hereby sells, assigns, transfers and conveys unto ASSIGNEE, all rights, title and interest in and to said Applications and all inventions embodied therein and improvements relating thereto; including all priority rights under the International Convention associated with the filing of said Applications, for each country of the Union; and in and to any and all Letters Patents on said inventions and improvements that may be granted by the United States or any foreign countries, including each and every Letters Patent granted on any application which is a division, substitution, continuation or continuation-in-part of any application relating to said inventions or improvements, and in and to each and every reissue or extension of said Letters Patent.

2. ASSIGNOR hereby warrants, covenants and represents the fact to be that it has not heretofore granted any license, right or privilege in respect to the said Applications or said inventions or improvements, or in any other way encumbered the same, and that it has the full right to convey, free of all licenses and encumbrances, all interest hereby assigned.

ASSIGNMENT OF PATENTS

THIS ASSIGNMENT OF PATENTS ("Assignment") is entered into this 30th day of March, 2002, by and between Pemstar Pacific Consultants, Inc., a California corporation with offices at 1280 Villa Street, Mountain View, California ("Assignor") and Natus Medical, Inc., a Delaware corporation with offices at 1501 Industrial Road, San Carlos, CA 94070 ("Assignee").

WITNESSETH:

WHEREAS, Assignor is party to a certain Agreement to Sell Technology dated March 30, 2002, whereby Assignor has coveted to assign to Assignee its patent applications and registrations (hereinafter collectively, "said Applications") as provided for herein and as identified in Schedule A attached hereto.

NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged:

1. Assignor hereby warrants that (i) it has the full right and power to make the assignment of said Applications made hereby and (ii) Assignor has made no previous assignment, transfer, or agreement in conflict herewith or constituting a present or future assignment of or encumbrance on any of said Applications.

2. Assignor hereby grants, assigns, and conveys to Assignee its entire right, title, and interest in and to said Applications, including, without limitation, all renewals therefor, all proceeds therefor (including, but not limited to, all license royalties and proceeds of infringement suits), the right to sue for past, present, and future infringements, and the goodwill of the business associated with and symbolized by each of said Applications.

3. This Assignment may not be altered, amended, or modified except by a writing signed by both Assignor and Assignee. This Assignment shall be binding upon Assignor and its partners, successors, and assigns, and shall insure to the benefit of the Assignee and its successors and assigns. This Assignment shall be governed by and construed in accordance with the laws of the State of California and the applicable laws of the United States of America.

IN WITNESS WHEREOF, this Assignment has been duly executed on the day and year first above written.

Pemstar Pacific Consultants, Inc.
